2                   **V. PILOT PROJECT: CAMERAS IN THE COURTROOM**  
3

4                   The Western District of Washington is participating in the Judiciary's Pilot  
5                   Project on Cameras in the Courtroom. This project is a three-year study to evaluate  
6                   the effects of cameras in the courtrooms. Additional information about the  
7                   Pilot Program can be found at the U.S. Court's Cameras in the Courts Website,  
8                   [www.uscourts.gov/Multimedia/Cameras/OverviewofPilot.aspx](http://www.uscourts.gov/Multimedia/Cameras/OverviewofPilot.aspx). This case is eligible to  
9                   have proceedings video recorded and made available to the public via the U.S. Court's  
10                   and the Western District of Washington's web sites. Even if the parties consent in their  
11                   joint status report, the Court will not automatically record all proceedings in a case.

12                   If the parties indicate that they consent in their joint status report, notice will be  
13                   sent prior to each scheduled proceeding seeking consent of all parties to have the  
14                   scheduled proceeding recorded. If all parties consent, and the judge approves, the  
15                   hearing will be recorded and made available to the public as part of the pilot project.  
16                   More information about this pilot project can be found on the Court's web site  
17                   at [www.uscourts.gov/multimedia/cameras.aspx](http://www.uscourts.gov/multimedia/cameras.aspx).
